ISO/TR 25313:2025-11 (E)

Genomics informatics - Challenges and standardization needs for secondary use of clinical genomics data

Contents

Page

Foreword ..... **iv**

Introduction ..... **v**

1 Scope **1**

2 Normative references **1**

3 Terms, definitions, and symbols **1**

4 Secondary use of clinical genomics data **1**

4.1 Background and objectives of the survey 1

4.2 Relevant issues and challenges 2

5 Methodology **3**

5.1 Survey design 3

5.2 Data collection 3

6 Results **3**

6.1 Participant profile 3

6.2 Status of secondary use of clinical genomics data 4

6.3 Standardization needs for secondary use of clinical genomics data 8

7 Discussion and conclusion **11**

Bibliography **13**
