Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Principle 1

5 Reagents 2

6 Apparatus 2

7 Procedure 4
7.1 Sample preparation and precautionary measures 4
7.1.1 Preparation and cleaning of cassettes prior to air monitoring 4
7.1.2 Preparation of cassettes for sodium analysis after air monitoring 6
7.2 Sodium determination 6

8 Calculation 6

9 Precision 8

10 Test report 8
