Foreword ..... **iv**

Introduction ..... **v**

1 Scope **1**

2 Normative references **1**

3 Terms and definitions **1**

4 Structure and dimension **2**
4.1 Structure 2
4.2 Dimension 3

5 General requirements **6**
5.1 Appearance 6
5.2 Materials 6
5.3 Hardness 6
5.4 Mechanical strength 6
5.5 Mass 6
5.6 Roughness 6
5.7 Abrasion resistance 7
5.8 Corrosion resistance 7
5.9 Cleanliness and disinfection 7
5.10 Safety requirements 7

6 Test methods **7**
6.1 Test method for dimension 7
6.2 Test method for appearance 7
6.3 Test method for material 8
6.4 Test method for hardness 8
6.5 Test method for mechanical strength 8
6.6 Test method for mass 8
6.7 Test method for roughness 8
6.8 Test method for abrasion resistance 8
6.9 Test method for corrosion resistance 8

7 Packaging, transmit and storage **8**
7.1 Packaging 8
7.1.1 Primary packaging 8
7.1.2 Secondary packaging 9
7.1.3 Storage or transport packaging 9
7.2 Labelling and instructions for use 9
7.2.1 Primary packaging 9
7.2.2 Secondary packaging 9
7.2.3 Instructions of use 9
7.3 Transmit and storage 10

Bibliography **11**
