DIN 820-11:2014-06 (E)

Standardization - Part 11: Presentation of standards concerning safety regulations which are VDE-Specifications or VDE-Guidelines

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Presentation of DIN Standards which are part of the VDE Specifications Code of safety standards 4
4.1 Scope and type of designation 4
4.2 Numbering 5
4.3 Preliminary remarks 8
4.3.1 VDE specification 8
4.3.2 VDE prestandard 8
4.3.3 VDE guideline 9
4.3.4 VDE supplement 9
4.4 Reproduction warning notice 9
4.5 s following the title page 9
4.6 References in standards and other technical literature 9
4.7 Presentation of bibliographies in the VDE Specifications Code of safety standards 10
4.8 Copyright and publisher's information 10

Annex A (informative) Principles for the designation of the results of electrotechnical standardization at DKE 11
