DIN EN 16848:2027-01 (E)

Erscheinungsdatum: 2026-11-27

Bio-based products - Requirements for Business to Business communication of characteristics using a Data Sheet; English version prEN 16848:2026

Contents

Page

European foreword ... 3

Introduction ... 4

1 Scope ... 5

2 Normative references ... 5

3 Terms and definitions ... 5

4 Requirements for a declaration on bio-based products ... 7
4.1 General ... 7
4.2 Data Sheet ... 8
4.2.1 Product name ... 8
4.2.2 Supplier name ... 8
4.2.3 Biomass type ... 8
4.2.4 Biomass origin ... 8
4.3 Independent verification ... 9
4.4 Information requirements ... 9
4.4.1 General ... 9
4.4.2 Information to be included in the Data Sheet ... 9

5 Additional claim specific requirements ... 9
5.1 Bio-based carbon content and bio-based content ... 9
5.1.1 General ... 9
5.1.2 Bio-based carbon content ... 10
5.1.3 Bio-based content ... 10
5.2 Sustainability of biomass production ... 10
5.3 End of life ... 10
5.3.1 General ... 10
5.3.2 Recycling claims ... 11
5.3.3 Energy recovery ... 11
5.3.4 Biodegradability characteristics for products used in nature ... 11
5.3.5 Managed disposal ... 12
5.4 Life-cycle assessment (LCA)- information and claims ... 12
5.5 Labels and certification schemes ... 12

Annex A (informative) **Example Data Sheet for the declaration of the characteristics of bio-based products** ... 13

Annex B (normative) **Claim Substantiation File (CSF) template** ... 16

Annex C (informative) **Guidance on independent verification** ... 18
C.1 General ... 18
C.2 Verification considerations ... 18
