European foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Principle 10

5 Apparatus 10
5.1 General 10
5.2 Sample storage 10
5.3 Ash content 10

6 Reagents and materials 11

7 Procedures 11
7.1 General 11
7.2 Handling of samples 13
7.2.1 Sampling 13
7.2.2 Transport 13
7.2.3 Registration 14
7.2.4 Storage 14
7.2.5 Clean-up procedure (for wet samples) 14
7.2.6 Homogenization 14
7.2.7 Division into test samples 14
7.2.8 Microbiological analysis 14
7.2.9 Drying procedures 14
7.3 Sample preparation 15
7.4 Analysis 16
7.5 Analysis of stored samples 16

8 Calculations 16

9 Quality control 17

10 Report 18

Annex A (informative) Example of a sample registration form 19
