Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Principle 5

5 Reagents 5

6 Apparatus 7

7 Sampling 8

8 Preparation of test sample 8
8.1 Dried milk, dried whey and milk protein concentrates 8
8.2 Caseins and caseinates 8
8.3 Cheese 9
8.4 Whey cheese 9

9 Procedure 9
9.1 Preparation of the test portion 9
9.2 Removal of fat and protein 9
9.3 Reagent blank test 10
9.4 Determination 10
9.5 Calibration 12

10 Calculation and expression of results 12
10.1 Nitrite (matrix blank) content (see Clause 4, Note 3) 12
10.2 Total nitrite/nitrate content 12
10.3 Nitrate content 13

11 Precision 13
11.1 Interlaboratory testing 13
11.2 Repeatability 13
11.3 Reproducibility 14

12 Test report 14

Annex A (informative) Interlaboratory trials 15
