Foreword 3

Introduction 4

1 Scope 7

2 Normative references 7

3 Reactions 7

4 Methodology 8
4.1 Preparation of test sample 8
4.2 Rapid method 8
4.3 General method 10
4.4 Transmethylation using boron trifluoride (BF3) catalyst 12
4.5 Acid-catalysed transmethylation of glycerides 15

Annex A (informative) Thin-layer chromatography method for testing the completeness of derivatization 17
