7.3	Practical use of control charts
Annex A	(informative) Control charts
A.1	General
A.2	Calculation of control chart limits
A.2.1	Examples 1 and 2
A.2.1.1	General
A.2.1.2	Formulae for the calculation of UCL and LCL in the mean and standard deviation chart (Example 1)

- A.2.2 Formulae for the calculation of UCL and LCL in the mean and range chart (Example 2)
- A.2.3 Example 3
- A.2.3.1 General
- A.2.3.2 Formulae for the mean chart
- A.2.3.3 Formulae for moving range chart

Annex B (informative) Monitor test piece — Specification

Annex A (informative) Control charts

- A.1 General
- A.2 Calculation of control chart limits
- A.2.1 Examples 1 and 2
- A.2.1.1 General
- A.2.1.2 Formulae for the calculation of UCL and LCL in the mean and standard deviation chart (Example 1)
- A.2.2 Formulae for the calculation of UCL and LCL in the mean and range chart (Example 2)
- A.2.3 Example 3
- A.2.3.1 General
- A.2.3.2 Formulae for the mean chart
- A.2.3.3 Formulae for moving range chart

Annex B (informative) Monitor test piece — Specification
