Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 2

4 Principle 2
4.1 Detection method 2
4.2 Enumeration method 2

5 Diluents and culture media 3

6 Apparatus 6

7 Sampling 6

8 Preparation of test sample 6

9 Procedure 6
9.1 Detection method 6
9.2 Enumeration method 7
9.3 Selection of plates and interpretation 8

10 Expression of results 9
10.1 Detection method 9
10.2 Enumeration method 9

11 Precision 10

12 Test report 10
