|------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|-------------|
| Foreword .....                                                                           |                                                                         | 5           |
| Introduction .....                                                                       |                                                                         | 6           |
| 1                                                                                        | Scope .....                                                             | 7           |
| 2                                                                                        | Normative references .....                                              | 7           |
| 3                                                                                        | Terms and definitions .....                                             | 7           |
| 4                                                                                        | Requirements for apparatus and other conditions .....                   | 7           |
| 4.1                                                                                      | General .....                                                           | 7           |
| 4.2                                                                                      | Reference transducer and amplifier .....                                | 8           |
| 4.3                                                                                      | Voltage measuring instrument for true RMS transducer chain output ..... | 8           |
| 4.4                                                                                      | Frequency measuring instrument .....                                    | 9           |
| 4.5                                                                                      | Distortion measuring instrument .....                                   | 9           |
| 4.6                                                                                      | Dummy mass .....                                                        | 9           |
| 4.7                                                                                      | Environmental conditions .....                                          | 9           |
| 5                                                                                        | Calibration procedure .....                                             | 9           |
| 5.1                                                                                      | Preparation of calibration .....                                        | 9           |
| 5.2                                                                                      | Calibration .....                                                       | 10          |
| 5.3                                                                                      | Other evaluation (optional) .....                                       | 10          |
| 6                                                                                        | Calculation and expression of the result .....                          | 10          |
| 6.1                                                                                      | Calculation of the result .....                                         | 10          |
| 6.2                                                                                      | Expression of the result .....                                          | 11          |
| Annex A (normative) Expression of uncertainty of measurement in calibration .....        |                                                                         | 12          |
| Annex B (informative) Configuration and application of field vibration calibrators ..... |                                                                         | 14          |
| Bibliography .....                                                                       |                                                                         | 16          |
