Foreword 2

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Quantities to be measured and determined 6

5 Instrumentation 6

6 Measurement direction and location 6

7 Operating conditions, test procedure and presentation of results 7

8 Validity test 7

9 Measurements and calculations 8

10 Measurement uncertainties and declaration of vibration values 9

Annex A (normative) Specific conditions for chain-saws 10

Annex B (normative) Specific conditions for brush-cutters and grass-trimmers 16

Annex ZA (normative) Normative references to international publications with their relevant European publications 22

Annex ZB (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC, amended by Directive 98/79/EC 23
