| Foreword .....        |  | iv          |
| 1                     | Scope .....  | 1           |
| 2                     | Normative references .....   | 1           |
| 3                     | Terms and definitions .....  | 1           |
| 4                     | Test equipment and instruments .....   | 2           |
| 5                     | Measurement locations .....  | 2           |
| 6                     | Heating, ventilating and air conditioning system .....   | 3           |
| 7                     | Air conditioning systems .....   | 4           |
| 8                     | Heating system .....   | 5           |
| 9                     | Ventilating system .....   | 6           |
| 10                    | Test report .....  | 6           |
| Annex A (informative) | Example of test report form for operator enclosure air conditioning, heating and ventilating systems ..... | 7           |
| Bibliography .....    |  | 9           |
