Foreword 3

Introduction 4

1 Scope 4

2 Normative references 4

3 Terms and definitions 5

4 List of significant hazards 5

5 Safety requirements and/or measures 7
5.1 General 7
5.2 Power transmission elements 7
5.3 Working platforms and means of access 7
5.4 Inspection holes 7
5.5 Electrical equipment 7
5.6 Hydraulic and pneumatic equipment 7
5.7 Level control devices 7
5.8 Lighting 8
5.9 Noise 8
5.10 Equipment and measures for maintenance and cleaning 8
5.11 Powered gate valves 8
5.12 Emergency stop devices and emergency measures 9
5.13 Explosion protection 9

6 Verification of safety requirements and/or measures 9

7 Information for use 9

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC 11

Annex ZB (informative) !!!!Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC""""" 12
