Foreword.....	3
Introduction	4
1 Scope	5
2 Normative references	6
3 Terms and definitions.....	7
3.1 Products	7
3.2 Equipment	8
4 List of significant hazards	11
5 A1 Safety requirements and/or protective measures A1	26
5.1 General.....	26
5.2 Layout - Circulation - Means of access	27
5.3 Control of the machines, modes of operation	27
5.4 Safety of machines and working equipment - General.....	27
5.5 Noise and vibration.....	28
5.6 Additional requirements for specific machines and equipment.....	28
5.7 Summary of the safety measures given in relation to the significant hazards listed in clause 4.34	
6 A1 Verification of safety requirements and/or protective measures A1	65
7 Information for use – Instruction handbook	66
7.1 Introduction	66
7.2 General information	66
7.3 Minimum recommendations for use of the machines	67
8 Marking	68
Annex A (informative) Pre-stressing bed.....	69
Annex B (informative) Bed sweeper, vacuum cleaner, oiler, wire-guide machine	74
Annex C (informative) Bed layout machine	76
Annex D (informative) Strand pushing/pulling machine	78
Annex E (informative) Spinner, extruder, vibrodistributor.....	80
Annex F (informative) Tarpaulin paying out and winding in machine	82
Annex G (informative) Sawing machine.....	84
Annex H (informative) Trilingual list of terms relative to pre-stressing manufacturing products and equipment.....	86
Annex ZA (informative) A1 Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC A1	88
