Reciprocating internal combustion engines - Vocabulary of components and systems - Part 10: Ignition systems

Contents		Page
Foreword		iv
1	Scope	1
2	Terms and definitions	1
2.1	Types of ignition systems	1
2.2	Conventional ignition systems	3
2.3	Electronic ignition systems	7
2.4	Computer-controlled ignition systems	8
2.5	Parameters for ignition systems	9
Bibliography		11
