| Foreword .....     |   | iv          |
| Introduction ..... |   | v           |
| 1                  | Scope .....   | 1           |
| 2                  | Normative references .....  | 1           |
| 3                  | Terms and definitions .....   | 1           |
| 4                  | Safety requirements and/or protective/risk reduction measures .....                 | 2           |
| 4.1                | General .....   | 2           |
| 4.2                | Compliance .....  | 2           |
| 4.3                | Actual capacity .....   | 2           |
| 4.4                | Non-integrated PWP design requirements .....  | 3           |
| 4.4.1              | Non-integrated PWP materials and dimensions .....                                   | 3           |
| 4.4.2              | Guardrail systems .....   | 3           |
| 4.4.3              | Load supporting elements .....  | 4           |
| 4.4.4              | Floor of the platform .....   | 4           |
| 4.4.5              | Non-integrated PWP personnel access .....   | 4           |
| 4.4.6              | Platform connection and position .....  | 5           |
| 4.4.7              | Protection from moving parts .....  | 5           |
| 5                  | Verification of safety requirements and/or protective/risk reduction measures ..... | 5           |
| 5.1                | General .....   | 5           |
| 6                  | Information for use .....   | 5           |
| 6.1                | Manufacturer's plate .....  | 5           |
| 6.2                | Capacity warning .....  | 6           |
