Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Safety requirements and protective measures 2
4.1 General 2
4.2 Dump body 3
4.2.1 Control device 3
4.2.2 Body lowering 3
4.2.3 Body-down indicator 3
4.2.4 Body support device 3
4.2.5 Sticking load 3
4.3 Retarder 3
4.4 Roll-over protective structures (ROPS) 3
4.5 Falling object protective structures (FOPS) 3
4.5.1 General 3
4.5.2 FOPS level 4
4.5.3 Compact dumper 4
4.6 Operator station 4
4.6.1 Cab 4
4.6.2 Operator's seat 4
4.6.3 Compact dumpers with a standing operator position 4
4.7 Steering system 5
4.7.1 General 5
4.7.2 Steering controls for machines with swivelling seats 5
4.7.3 Controls for steering and driving of machines with turnable upper structure 5

5 Information for use 5
