## Equipment for harvesting - Combine harvesters and functional components - Vocabulary

---

| <b>Contents</b>           |   | <b>Page</b> |
|---------------------------|---|-------------|
| <b>Foreword</b> .....     |   | <b>iv</b>   |
| <b>1</b>                  | <b>Scope</b> .....  | <b>1</b>    |
| <b>2</b>                  | <b>Normative references</b> .....                           | <b>1</b>    |
| <b>3</b>                  | <b>Terms and definitions</b> .....                          | <b>1</b>    |
| 3.1                       | Terms related to crops.....                                 | 1           |
| 3.2                       | Terms related to combine harvester.....                     | 2           |
| 3.3                       | Terms related to header.....                                | 5           |
| 3.4                       | Terms related to combine harvester action.....              | 6           |
| 3.5                       | Terms related to combine harvester characteristics.....     | 7           |
| 3.6                       | Terms related to functional components characteristics..... | 9           |
| <b>4</b>                  | <b>Terms related to combine harvester performance</b> ..... | <b>17</b>   |
| 4.1                       | Terms related to throughputs (feed rates).....              | 17          |
| 4.2                       | Terms related to grain losses.....                          | 17          |
| 4.3                       | Terms related to combine harvester capacity.....            | 18          |
| <b>Bibliography</b> ..... |   | <b>19</b>   |
