Gas turbines - Procurement - Part 9: Reliability, availability and maintainability

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Maintainability 5
4.1 General 5
4.2 Manufacturer's responsibility 6
4.2.1 Inspection schedules 6
4.2.2 On-line inspection and on-line maintenance 7
4.2.3 Condition monitoring 8
4.2.4 Running maintenance 8
4.2.5 Fouling 8
4.2.6 Degradation 8
4.3 User's responsibility 8
4.4 Spares parts 9
4.5 Operating log sheets 9

5 Reliability and availability 11
5.1 Reliability acceptance tests 11
5.2 Reliability and availability, calculating and reporting 12
5.2.1 Reliability 12
5.2.2 Availability 12
