## Mining - Mining methods - Classification and specification

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	General .....	1
5	Classification of mining method based on depth of deposit .....	2
5.1	Surface mining methods .....	2
5.1.1	Description .....	2
5.1.2	Evaluation of surface deposits .....	2
5.1.3	Steps of surface mining operation .....	3
5.1.4	Strength and consolidate ore or rock -based mining methods .....	4
5.1.5	Unconsolidated and permeable ore or rock -based mining methods .....	12
5.2	Underground mining methods .....	23
5.2.1	Strong to moderate competent ore and rock based mining methods .....	23
5.2.2	Moderate to weak incompetent ore and rock -based mining methods .....	32
5.2.3	Moderate to weak, cavable-based mining methods .....	36
Bibliography .....		44
