Foreword v

1 Scope 1

2 Normative references 1

3 Terms and definitions 2

4 Management of the lifting operation 2
4.1 Safety system work 2
4.2 Control of the crane operation 2
4.3 Contractual considerations 2

5 Selection, responsibilities and minimum requirements of personnel 3
5.1 General 3
5.2 Duties of person appointed to control crane operation (the appointed person) 3
5.3 Crane driver 3
5.4 Slinger 3
5.5 Signaller 3
5.6 Crane erector 3
5.7 Maintenance personnel 3
5.8 Inspection personnel/crane inspector (for "routine periodic inspections") 4
5.9 Crane coordinator 4
5.10 Crane erection supervisor 5
5.11 Other particulars 5

6 Safety 6
6.1 General 6
6.2 Identification of person directing crane movements 6
6.3 Personal safety equipment 6
6.4 Use of personal safety equipment 6
6.5 Access 6
6.6 Fire extinguishers 7
6.7 Documentation 7
6.8 Crane driver's aids 7
6.9 Other safety provisions 8

7 Selection of tower cranes 9

8 Siting of cranes 9
8.1 General 9
8.2 Crane standing or support conditions 9
8.3 Proximity hazards 11

9 Erection, dismantling and height alteration 11
9.1 Planning 11
9.2 Identification of components 12
9.3 Electrical supply 12
9.4 Personnel 12
9.5 Control 12
9.6 Inspection before erection 12
9.7 Weather 13

9.8 Manufacturer's instructions for erection, height alteration and dismantling 13
9.9 Tower crane climbing 13
9.10 Components and materials 15

10 Procedures and precautions 15
10.1 Crane operation 15
10.2 Working on cranes 15
10.3 Reporting of defects and incidents 16
10.4 Leaving the crane 16
10.5 Working at heights 16

11 Operating conditions 16
11.1 Rated capacity 16
11.2 Operation and control 16
11.3 Handling of loads near persons 17
11.4 Multiple lifting 17
11.5 Special duties 17
11.6 Weather conditions 17

12 Slinging and handling of loads 18

13 Raising and lowering of persons 18

14 Tests, inspections and condition monitoring 18
14.1 General 18
14.2 Age and utilisation 18
14.3 Personnel safety 19

15 Signalling systems 19
15.1 General 19
15.2 Radio communications 19

Annex A (normative) Working-space limiter -- Requirements for provision of anti-collision/zoning device 20

Annex B (informative) Tower crane climbing operations 24
