

DIN EN 12952-7:2013-01 (E)

Water-tube boilers and auxiliary installations - Part 7: Requirements for equipment for the boiler

Contents	Page
Foreword	3
1 Scope	5
2 Normative references	5
3 Terms and definitions	6
4 General requirements for steam boilers and hot water generators	8
5 Special requirements for steam boilers	12
6 Special requirements for hot water generators	15
7 Additional requirements for plants without manual intervention	20
8 Final inspection of the water tube boiler plant	23
Annex A (normative) Chemical recovery boilers (Black liquor recovery boilers)	24
Annex B (informative) Aspects of boiler operation	26
Annex C (informative) Alarms and monitoring from the boiler plant	30
Annex D (normative) Requirements for limiters based on analogue measurements	31
Annex E (normative) Access to internal parts	35
Annex F (normative) Final inspection of the water tube boiler plant	38
Annex G (informative) Drain and blowdown devices	39
Annex H (informative) Significant technical changes between this European Standard and the previous edition	40
Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 97/23/EC	41
Bibliography	42
