European foreword 4

Introduction 6

1 Scope 7

2 Normative references 7

3 Terms and definitions 7

4 Symbols and abbreviations 8

5 Classification, designation and coding 8
5.1 Range of Class designation 8
5.2 Range of NPS designation 9
5.3 Gasket types 9
5.4 Information to be supplied at the time of purchase 9
5.5 Gasket designs and materials 9

6 Gasket types 10

7 Range of gasket sizes 13

8 Dimensions 13
8.1 Thickness 13
8.2 Diameters 13
8.3 Tolerances 17

9 Marking 18

Annex A (informative) Gasket materials 19
