Friction stir welding - Aluminium - Part 3: Qualification of welding operators (ISO 25239-3:2011)

Contents		Page
Foreword		3
Introduction		4
1	Scope	5
2	Normative references	5
3	Terms and definitions	5
4	Requirements	5
4.1	Welding operator qualification	5
4.2	Essential variables and ranges of qualification	6
4.3	Qualification methods	7
4.4	Test welds	8
4.5	Test record	9
5	Certificate	9
5.1	General	9
5.2	Period of validity	10
Annex A (normative) Functional knowledge of the welding unit		11
Annex B (informative) Knowledge of welding technology		12
Annex C (informative) Qualification test certificate for FSW operators		14
Bibliography		16
