DIN EN 1708-3:2012-05 (E)

Welding - Basic weld joint details in steel - Part 3: Clad, buttered and lined pressurized components

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 5

4 Requirements 5
4.1 General 5
4.2 Dissimilar metal joints 5
4.3 Welds for clad steel 6
4.4 Weld design examples 6
