|--|----------------------------------|-------------|
| Foreword .....   |                                  |             |
| 1  | Scope .....                      |             |
| 2  | Normative references .....       |             |
| 3  | Symbols .....                    |             |
| 4  | Principle .....                  |             |
| 5  | Reagents .....                   |             |
| 6  | Apparatus and materials .....    |             |
| 7  | Test specimens .....             |             |
| 7.1  | Brass test plates .....          |             |
| 7.2  | Solder sample .....              |             |
| 8  | Procedure .....                  |             |
| 8.1  | Preparation of test plates ..... |             |
| 8.2  | Test method .....                |             |
| 8.3  | Replicate tests .....            |             |
| 9  | Expression of results .....      |             |
| 10   | Precision .....                  |             |
| 11   | Test report .....                |             |
| Annex A (informative) Method for the preparation of standard reference rosin (colophony) based liquid fluxes, having 25 % by mass non-volatile content ..... |                                  |             |
| Annex B (informative) Chemical composition of brass test plates .....  |                                  |             |
| Bibliography .....   |                                  |             |
