

# DIN 32533:2015-09 (E)

**Welding - Electron beam procedure for material processing - Beam parameter product - Measurement of the beam focus diameter and the divergence angle**

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
1	Scope .....	4
2	Normative references .....	4
3	General .....	4
4	Measuring the beam focus diameter .....	5
5	Measuring the beam divergence .....	6
Annex A (informative) Recommendation for measurement procedure .....		7
Bibliography .....		8
