## Specification and qualification of welding procedures for metallic materials - Welding procedure specification - Part 2: Gas welding

---

| <b>Contents</b>    |  | <b>Page</b> |
|--------------------|--|-------------|
| Foreword .....     |  | iv          |
| Introduction ..... |  | v           |
| <b>1</b>           | <b>Scope .....</b>   | <b>1</b>    |
| <b>2</b>           | <b>Normative references .....</b>  | <b>1</b>    |
| <b>3</b>           | <b>Terms and definitions .....</b>                                       | <b>1</b>    |
| <b>4</b>           | <b>Technical content of Welding Procedure Specification (WPS) .....</b>  | <b>1</b>    |
| 4.1                | General .....  | 1           |
| 4.2                | Information related to the manufacturer .....                            | 2           |
| 4.3                | Information related to the parent material .....                         | 2           |
| 4.3.1              | Parent material type .....   | 2           |
| 4.3.2              | Material dimensions .....  | 2           |
| 4.4                | Information common to all welding procedures .....                       | 2           |
| 4.4.1              | Welding process .....  | 2           |
| 4.4.2              | Joint design .....   | 2           |
| 4.4.3              | Welding position .....   | 2           |
| 4.4.4              | Joint preparation .....  | 2           |
| 4.4.5              | Welding technique .....  | 2           |
| 4.4.6              | Back gouging .....   | 3           |
| 4.4.7              | Backing .....  | 3           |
| 4.4.8              | Welding consumables .....  | 3           |
| 4.4.9              | Flame parameters .....   | 3           |
| 4.4.10             | Mechanized and automatic welding .....                                   | 3           |
| 4.4.11             | Pre-heat temperature .....   | 3           |
| 4.4.12             | Interpass temperature .....  | 3           |
| 4.4.13             | Pre-heat maintenance temperature .....                                   | 3           |
| 4.4.14             | Post-weld heat-treatment .....   | 4           |
|                    | <b>Annex A (informative) Welding Procedure Specification (WPS) .....</b> | <b>5</b>    |
|                    | <b>Bibliography .....</b>  | <b>6</b>    |
