ISO 15607:2019-10 (E)

Specification and qualification of welding procedures for metallic materials - General rules

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Welding procedure specification format 2

5 Development and qualification of welding procedures 2
5.1 General 2
5.2 Qualification based on welding procedure test 3
5.3 Qualification based on tested welding consumables 3
5.4 Qualification based on previous welding experience 4
5.5 Qualification based on a standard welding procedure 4
5.6 Qualification based on a pre-production welding test 5

6 Validity 5

Annex A (informative) Details of standards dealing with specification and qualification of welding procedures 6

Annex B (informative) Different phases in welding procedure qualification 8

Annex C (informative) Flow diagram for the development and qualification of a WPS 9
