|-------------------------|---|-------------|
| European foreword ..... |   | 4           |
| Foreword .....          |   | 5           |
| 1                       | Scope .....   | 6           |
| 2                       | Normative references .....                                | 6           |
| 3                       | Terms and definitions .....                               | 6           |
| 4                       | Use of this document .....                                | 6           |
| 5                       | Review of requirements and technical review .....         | 6           |
| 5.1                     | General .....   | 6           |
| 5.2                     | Review of requirements .....                              | 7           |
| 5.3                     | Technical review .....                                    | 7           |
| 6                       | Sub-contracting .....                                     | 8           |
| 7                       | Welding personnel .....                                   | 8           |
| 7.1                     | General .....   | 8           |
| 7.2                     | Welders and welding operators .....                       | 8           |
| 7.3                     | Welding coordination personnel .....                      | 8           |
| 8                       | Inspection and testing personnel .....                    | 9           |
| 8.1                     | General .....   | 9           |
| 8.2                     | Non-destructive testing personnel .....                   | 9           |
| 9                       | Equipment .....   | 9           |
| 9.1                     | Production and test equipment .....                       | 9           |
| 9.2                     | Description of production equipment .....                 | 10          |
| 9.3                     | Suitability of equipment .....                            | 10          |
| 9.4                     | New equipment .....                                       | 10          |
| 9.5                     | Maintenance of equipment .....                            | 10          |
| 10                      | Welding and related activities .....                      | 10          |
| 10.1                    | Production planning .....                                 | 10          |
| 10.2                    | Welding procedure specifications .....                    | 11          |
| 10.3                    | Qualification of the welding procedures .....             | 11          |
| 10.4                    | Work instructions .....                                   | 11          |
| 10.5                    | Procedures for preparation and control of documents ..... | 11          |
| 11                      | Welding consumables .....                                 | 12          |
| 11.1                    | General .....   | 12          |
| 11.2                    | Batch testing .....                                       | 12          |
| 11.3                    | Storage and handling .....                                | 12          |
| 12                      | Storage of parent materials .....                         | 12          |
| 13                      | Post-weld heat treatment .....                            | 12          |

|             |   |           |
