## Welding - Test for shop primers in relation to welding and allied processes - Part 2: Welding properties of shop primers

---

<b>Contents</b>		<b>Page</b>
page	Foreword .....	v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	2
4	Rating test .....	2
4.1	Principle .....	2
4.2	Preparation of test piece .....	2
4.3	Procedure .....	2
4.3.1	Welding .....	2
4.3.2	Breaking of the test weld .....	4
4.4	Examination and determination of porosity .....	4
4.5	Test report .....	5
5	Weldability test .....	5
5.1	Principle .....	5
5.2	Preparation of test piece .....	5
5.3	Procedure .....	6
5.3.1	General .....	6
5.3.2	Tack welding .....	6
5.3.3	Welding .....	7
5.4	Weld evaluation .....	7
5.4.1	Visual examination .....	7
5.4.2	Internal examination .....	8
5.5	Test report .....	8
Annex A (informative) Example of a test report for rating test of weld properties of shop primers ....		10
Annex ZA (informative) Corresponding International and European Standards for which equivalents are not given in the text .....		11
