

# DIN EN 15340:2007-06 (E)

## Thermal spraying - Determination of shear load resistance of thermally sprayed coatings

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1	Scope .....	5
2	Normative references .....	5
3	Terms and definitions .....	5
4	Equipment .....	6
5	Specimens .....	7
5.1	Shape .....	7
5.2	Preparation .....	8
5.3	Number of specimens to be tested .....	9
6	Procedure .....	9
7	Results .....	9
8	Test report .....	9
Annex A (informative) Evaluation .....		11
Annex B (informative) Coating systems and sources of error .....		14
B.1	Coating systems (bond/top coat) .....	14
B.2	Faults in testing .....	14
Bibliography .....		15
