DIN 29595:2007-04 (E)

Welding in aerospace - Fusion welded metallic components - Requirements

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Symbols 6

4 Requirements for fusion welding 6

5 Safety categories and quality levels 7
5.1 General 7
5.2 Safety category I 7
5.3 Safety category II 7
5.4 Safety category III 7
5.5 Quality levels 7

6 Requirements 7
6.1 General 7
6.2 Materials 7
6.3 Drawings and inspection schedules 8
6.4 Manufacturing conditions 8
6.5 Repair and maintenance 8
6.6 Manufacturing documentation 8
6.7 Limits for imperfections 8

7 Quality inspection 8
7.1 General 8
7.2 Test methods 9
7.3 Scope of testing 11
7.4 Repeat testing 11

Annex A (informative) Calculated values 20
