DIN ISO 6003:2018-06 (E)

Alpine skis - Determination of mass and polar moment of inertia - Laboratory measurement method (ISO 6003:2017)

Contents

Page

National foreword ... **2**

Foreword ... **4**

1 Scope ... **5**

2 Normative references ... **5**

3 Terms and definitions ... **5**

4 Apparatus ... **5**

5 Sampling and conditioning ... **6**

6 Calibration of measuring device ... **6**

7 Procedure ... **7**

8 Expression of results ... **8**
8.1 Mass of the ski ... 8
8.2 Polar moment of inertia of the ski ... 8

9 Tolerances ... **10**
9.1 Measurement tolerances ... 10
9.2 Tolerances on published data ... 10

10 Test report ... **10**
