Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Safety requirements 2
4.1 General 2
4.2 Strength 2
4.3 Design 2
4.4 Handling 3
4.4.1 General 3
4.4.2 Triggering force 3
4.4.3 Release force 3
4.4.4 Duration of release 3
4.4.5 Reachability 4
4.5 Behaviour during release 4
4.6 Additional requirements for cold and wet conditions 4
4.7 Information supplied by the manufacturer 4
4.7.1 User's manual 4
4.7.2 Marking on the product 5

5 Test methods 5
5.1 Test apparatus 5
5.2 Test environment 6
5.2.1 Dry and clean conditions 6
5.2.2 Sand 6
5.3 Test conditions 6
5.3.1 Dry and clean conditions 6
5.3.2 Dry sand 6
5.3.3 Water with sand 7
5.3.4 Cold and wet conditions 7
5.4 Sampling 8
5.5 Preparation 8
5.5.1 General function 8
5.5.2 Releasing without generated load 8
5.5.3 Pre-stress 8
5.6 Procedure 8
5.6.1 General 8
5.6.2 Strength test 11
5.6.3 Dry and clean conditions 11
5.6.4 Dry sand 12
5.6.5 Water with sand 12
5.6.6 Cold and wet conditions 12
5.7 Sharp edges 12
5.8 Durability of marking 12

6 Test report 12

Annex A (informative) Test overview 13
