

# DIN EN 15268:2008-11 (E)

## Petrol filling stations - Safety requirements for the construction of submersible pump assemblies

---

<b>Contents</b>	<b>Page</b>
Foreword .....	3
Introduction .....	4
1 Scope .....	5
2 Normative references .....	5
3 Terms and definitions .....	6
4 List of significant hazards .....	7
5 Safety requirements and/or protective measures .....	9
6 Verification of the safety requirements and/or protective measures .....	13
7 Information for use .....	14
Annex A (informative) Subsystems of submersible pump assemblies .....	19
Annex B (normative) Test methods .....	20
Annex C (normative) Alternative requirements for explosion prevention and protection of the electrical motor .....	22
Annex D (informative) Guidance for the application, installation and maintenance of submersible pump assemblies and the connected pipe work .....	23
Annex ZA (informative) Relationship between this European Standard and the Essential Requirements EU Directive 94/9/EC .....	27
Annex ZB (informative) Relationship between this European Standard and the Essential Requirements EU Directive 98/37/EC .....	31
Annex ZC (informative) Relationship between this European standard and the essential requirements of EU directive 2006/42/EC .....	32
Bibliography .....	33
