## Marking pens - Durability of written line - Documentary use (DOC)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Requirements .....	2
4.1	Water resistance .....	2
4.2	Ethanol resistance .....	2
4.3	Hydrochloric acid resistance .....	2
4.4	Ammonium hydroxide resistance .....	2
4.5	Bleaching resistance .....	2
4.6	Erasure resistance .....	2
4.7	Light resistance .....	2
4.8	Reproducibility .....	2
5	Test equipment and accessories .....	2
5.1	Performance testing paper .....	2
5.2	Eraser .....	2
5.3	Light test apparatus .....	2
5.4	Reproducibility apparatus .....	2
5.5	Test solutions .....	3
5.5.1	Ethanol solution .....	3
5.5.2	Hydrochloric acid solution .....	3
5.5.3	Ammonium hydroxide solution .....	3
5.5.4	Bleaching solution .....	3
6	Testing .....	3
6.1	Sampling .....	3
6.2	Climatic conditions for testing .....	3
6.3	Procedure .....	3
6.3.1	Preparation of test piece .....	3
6.3.2	Water resistance test .....	3
6.3.3	Ethanol resistance test .....	3
6.3.4	Hydrochloric acid resistance test .....	3
6.3.5	Ammonium hydroxide resistance test .....	4
6.3.6	Bleaching resistance test .....	4
6.3.7	Erasure resistance test .....	4
6.3.8	Light resistance test .....	4
6.3.9	Reproducibility test .....	4
7	Marking .....	4
8	Test report .....	4
Bibliography .....		6
