

ISO 18602:2013-01 (E)

Packaging and the environment - Optimization of the packaging system

Contents	Page
Foreword	iv
Introduction	v
1 Scope	1
2 Normative references	1
3 Terms and definitions	1
4 Requirements	3
4.1 Application	3
4.2 Packaging assessment	3
4.3 Demonstration that the requirements of this International Standard have been met	4
5 Critical areas to assess when determining the achievable level for packaging optimization	4
Annex A (informative) Guidelines on the use of this International Standard for determining the achievable level for packaging optimization	5
Annex B (informative) Examples of the application of this International Standard using the checklist	10
Annex C (informative) Assessment and minimization of substances or mixtures hazardous to the environment	15
Bibliography	26
