## Flat pallets for intercontinental materials handling - Principal dimensions and tolerances

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Dimensions .....	3
4.1	Plan dimensions and tolerances .....	3
4.2	Vertical entry clearances for lifting devices .....	3
4.3	Horizontal clearances for lifting devices .....	5
4.4	Dimensions of bottom deck chamfers .....	8
4.5	Dimensions of pallet deck projections .....	8
4.6	Bearing surface of bottom decks .....	8
4.7	Limits of diagonal distortion .....	8
4.8	Flatness .....	8
Annex A (informative) Regional use of intercontinental pallet sizes .....		9
Annex B (normative) Horizontal clearances for pallet trucks and fork-lift trucks .....		10
Bibliography .....		13
