|--------------------|---|-------------|
| Foreword.....      |   | v           |
| 1                  | Scope .....   | 1           |
| 2                  | Terms and definitions.....                                    | 1           |
| 3                  | Apparatus .....   | 1           |
| 3.1                | Cold water bath .....   | 1           |
| 3.2                | Hot water bath .....  | 1           |
| 3.3                | Basket .....  | 1           |
| 4                  | Sampling .....  | 1           |
| 5                  | Procedure .....   | 2           |
| 6                  | Thermal shock resistance.....                                 | 2           |
| 6.1                | Pass test .....   | 2           |
| 6.2                | Progressive test to a specified percentage of breakages ..... | 2           |
| 6.3                | Total progressive test.....                                   | 2           |
| 6.4                | High-level test.....  | 2           |
| 7                  | Thermal shock endurance .....                                 | 2           |
| 8                  | Safety requirements .....                                     | 3           |
| 9                  | Test report .....   | 3           |
| Bibliography ..... |   | 5           |
