Agricultural irrigation equipment - Pressure losses in irrigation valves - Test method

Contents		Page
Foreword		iv
1	Scope	1
2	Terms and definitions	1
3	Test installation	3
3.1	Permissible deviation of measuring devices	3
3.2	Test equipment	3
4	Test procedure	6
4.1	Test installation	6
4.2	Test conditions	6
4.3	Test bench pressure loss	7
4.4	Test of valve	8
5	Test results	8
5.1	Presentation of test results	8
5.2	Calculated valve coefficients	8
5.3	Test report	10
