# DIN EN ISO 23611-5:2013-05 (E)

## Soil quality - Sampling of soil invertebrates - Part 5: Sampling and extraction of soil macro-invert ebrates (ISO 23611-5:2011)

## Contents

Page

Foreword ..... 3

Introduction ..... 4

1 Scope ..... 5

2 Terms and definitions ..... 5

3 Principle ..... 5

4 Reagents ..... 6

5 Apparatus ..... 6

6 Field procedure ..... 7
6.1 General ..... 7
6.2 Collecting macro-invertebrates from the litter zone ..... 7
6.3 Collecting macro-invertebrates from soil ..... 7

7 Laboratory procedure ..... 8
7.1 Treatment of collected samples ..... 8
7.2 Preservation of specimens ..... 8
7.3 Biomass determination ..... 9

8 Assessment of results ..... 9

9 Test report ..... 10

Annex A (informative) Background information ..... 11

Bibliography ..... 12
