DIN 19704-3:2014-11 (E)

Hydraulic steel structures - Part 3: Electrical equipment

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 General 5
3.1 Design 5
3.2 Safety requirements 5
3.3 Actions to be taken in an emergency 5
3.3.1 Emergency stop 5
3.3.2 Emergency start 5
3.4 Protective measures 5
3.5 Control process memory 6

4 Electrical equipment 6
4.1 General 6
4.2 Motors and brakes 6
4.3 Cables and wires 7
4.4 Connections 7
4.5 Auxiliary equipment 7
4.6 Limit switches and pressure switches 7
4.7 Overload protection devices 8
4.8 Monitoring systems 8

5 Control functions 8
5.1 Switch-off at end position 8
5.2 Drives on both sides 9

6 Enclosures 9

7 Steel frames and other supporting elements 9
