| European foreword .....  |  | 3           |
| Introduction .....   |  |             |
| 1  | Scope .....  |             |
| 2  | Normative references .....                           |             |
| 3  | Symbols, definitions, units, and abbreviations ..... |             |
| 4  | Principle .....                                      |             |
| 5  | Reagents and equipment .....                         |             |
| 5.1  | Reagents .....                                       |             |
| 5.2  | Equipment .....                                      |             |
| 6  | Sampling and samples .....                           |             |
| 6.1  | Sampling .....                                       |             |
| 6.2  | Sample storage .....                                 |             |
| 7  | Procedure .....                                      |             |
| 7.1  | Sample preparation .....                             |             |
| 7.2  | Preparation of the sources to be measured .....      |             |
| 7.3  | Counting procedure .....                             |             |
| 7.4  | Calibration and verification .....                   |             |
| 7.5  | Measurement conditions .....                         |             |
| 8  | Expression of results .....                          |             |
| 8.1  | General .....  |             |
| 8.2  | Calculation of activity concentration .....          |             |
| 8.3  | Decision threshold .....                             |             |
| 8.4  | Detection limit .....                                |             |
| 8.5  | Confidence limits .....                              |             |
| 8.6  | Calculations using the activity per mass .....       |             |
| 9  | Test report .....                                    |             |
| Annex A (informative) Numerical applications .....                           |  | 15          |
| Annex B (informative) Internal standard method .....                         |  | 17          |
| Annex C (informative) Extraction of total carbon: precipitate counting ..... |  | 19          |
| Annex D (informative) Extraction of total carbon: absorption counting .....  |  |             |
| Bibliography .....   |  | 2           |
