|---|---|-------------|
| European foreword .....   |   | 3           |
| Introduction .....  |   | 4           |
| 1   | Scope .....                                     | 5           |
| 2   | Normative references .....                      | 5           |
| 3   | Terms and definitions .....                     | 5           |
| 4   | Description .....                               | 5           |
| 4.1   | Identification .....                            | 5           |
| 4.2   | Commercial form .....                           | 6           |
| 4.3   | Physical properties .....                       | 6           |
| 4.4   | Chemical properties .....                       | 7           |
| 5   | Purity criteria .....                           | 7           |
| 5.1   | General .....                                   | 7           |
| 5.2   | Composition of commercial product .....         | 7           |
| 5.3   | Impurities and main by-products .....           | 7           |
| 5.4   | Chemical parameters .....                       | 7           |
| 6   | Test methods .....                              | 8           |
| 6.1   | Sampling .....                                  | 8           |
| 6.2   | Analyses .....                                  | 8           |
| 7   | Labelling - Transportation - Storage .....      | 14          |
| 7.1   | Means of delivery .....                         | 14          |
| 7.2   | Labelling according to the EU legislation ..... | 14          |
| 7.3   | Transportation regulations and labelling .....  | 14          |
| 7.4   | Marking .....                                   | 14          |
| 7.5   | Storage .....                                   | 14          |
| Annex A (informative) General information on sodium thiosulfate ..... |   | 15          |
| Annex B (normative) General rules relating to safety .....            |   | 16          |
| Bibliography .....  |   | 17          |
