|---|---|-------------|
| Foreword .....  |   | iv          |
| Introduction .....  |   | v           |
| 1   | Scope .....                             | 1           |
| 2   | Normative references .....              | 2           |
| 3   | Principle .....                         | 2           |
| 4   | Interferences .....                     | 2           |
| 5   | Reagents .....                          | 2           |
| 6   | Apparatus .....                         | 5           |
| 7   | Sampling and sample pre-treatment ..... | 7           |
| 8   | Procedure .....                         | 7           |
| 9   | Calibration .....                       | 10          |
| 10  | Calculation .....                       | 13          |
| 11  | Expression of results .....             | 14          |
| 12  | Test report .....                       | 15          |
| Annex A (informative) Examples of gas chromatograms .....                           |   | 16          |
| Annex B (informative) Mass spectra of methylated dalapon and haloacetic acids ..... |   | 19          |
| Annex C (informative) Precision data .....  |   | 23          |
| Bibliography .....  |   | 24          |
