

# ISO 9628:2019-09 (E)

## Rolling bearings - Insert bearings and eccentric locking collars - Geometrical product specifications (GPS) and tolerance values

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Symbols .....	1
5	Characteristics and other specifications .....	8
5.1	General .....	8
5.2	Bore diameter .....	8
5.3	Outside diameter of bearing .....	8
5.4	Width of inner ring and locking device .....	9
5.5	Width of outer ring .....	9
5.6	Relubrication .....	9
6	Boundary dimensions .....	9
7	Tolerances .....	23
8	Radial internal clearances .....	24
