ISO 11372:2011-12 (E)

Gas cylinders - Acetylene cylinders - Filling conditions and filling inspection

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Terms and definitions 1

3 Filling inspection 3
3.1 General 3
3.2 Pre-fill inspection 3
3.3 Solvent content 4
3.4 Inspection during filling 5
3.5 Post-fill inspection 6

4 Specific filling inspection of solvent-free acetylene cylinders 6
4.1 Pre-fill inspection 6
4.2 Post-fill inspection 7

Annex A (informative) Safe operating diagram 8

Annex B (normative) Determination of the solvent content in acetylene cylinders 11
