Gas cylinders - Acetylene cylinders - Filling conditions and filling inspection

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Terms and definitions	1
3	Filling inspection	3
3.1	General	3
3.2	Pre-fill inspection	3
3.3	Solvent content	4
3.4	Inspection during filling	5
3.5	Post-fill inspection	6
4	Specific filling inspection of solvent-free acetylene cylinders	6
4.1	Pre-fill inspection	6
4.2	Post-fill inspection	7
	Annex A (informative) Safe operating diagram	8
	Annex B (normative) Determination of the solvent content in acetylene cylinders	11
	Bibliography	13
